

# Wheel RZ 80x54 K20

Forklift wheels Series RZ

 -20 °C - +80 °C

++●

swivels easily

+++

wear resistant

+++

shock proof

++●

floor protective

++●

weather proof

Wheel

Cast polyurethane coating, 95±3 Shore A

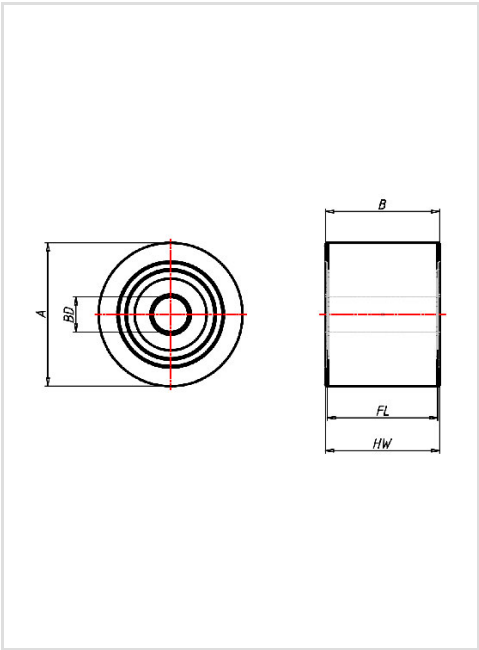

Steel wheel centre

|                                                         |                               |
|---------------------------------------------------------|-------------------------------|
| Wheel                                                   | Wheel-Ø A x width B mm: 80x54 |
| Load Capacity kg:                                       | 500                           |
| Load capacity tested according to EN 12530 and EN 12527 |                               |
| Hub width mm:                                           | 54                            |
| Fixing length mm:                                       | 54                            |
| Wheel bearing:                                          | 2 Ball bearings 6204 ZZ       |
| Bore diameter mm:                                       | 20                            |

Advantages

- ✓ silent in motion
- ✓ low rolling resistance
- ✓ high abrasion and tear resistance
- ✓ high resistance to shocks
- ✓ high chemical resistance
